<p style="color: red;">Subject to a competency test for those wishing to participate in ski race training, UPON COMPLETING THIS FORM, you may attain temporary membership from ONE of the club coaches, OR the Club Secretary for a MAXIMUM period of two weeks (you must nevertheless pay the appropriate club night fees). Following this you will be required to submit an application for full membership. Your temporary membership may be extended until your application has been determined by the Committee. Membership fees are payable immediately upon your application being successful.</p>		

Now that you've mastered the basics would you like to improve your technique or are you interested in racing? If so Cardiff Ski Club is the next step for you.

Although some of our members just come and enjoy the training every week, others quickly start to enjoy the challenge of ski racing. Most start with Club or Schools races on the artificial slopes. The courses at these events are quite simple and the emphasis is upon participation and fun as well as competition.

Those who show more interest go on to compete in National Events such as the

Celtic Cup Series or Welsh Championship races held in Pontypool & other Ski slopes each year.

These events attract some of the best skiers from throughout Great Britain, allowing competitors to gain national ranking based upon their finishing positions. Some of our members have progressed further – Cardiff Ski Club has several members selected to the Welsh Ski Squad, and we currently have members who hold National & European age group titles

Race training takes place on Tuesday evenings between 6:00pm and 7:30pm with professional coaching, and club members receive reduced ski slope charges.
